Revenue: region × segment

Revenue	segment			
region	Consumer	Corporate	Home Office	**Grand total**
Central	$4.68bn	$2.78bn	$1.85bn	$9.3bn
East	$4.08bn	$2.51bn	$1.52bn	$8.11bn
South	$3.98bn	$2.27bn	$1.53bn	$7.77bn
West	$5.15bn	$3.1bn	$1.87bn	$10.12bn
Grand total				$35.31bn

Synthetic data. The business patterns (discount-driven margin, seasonality, regional differences) are modelled in the data generator. The feed also carries one older file from a previous generator (about 1M rows, Jan 2025 to Mar 2026, −10% margin), which is why margin dips in early 2026. Details: docs/DASHBOARDS.md.
